Kindergarten Registration

Wednesday March 28th is Kindergarten Registration at the Early Years Program!

If your student is transitioning to Kindergarten next year, this is a date you will need on your calendar.

10:30a.m.-12:30p.m. registration will be open at our main office (110 Walnut Court in Jacksonville)

2:30p.m.-7:00p.m. registration will be open at Central Office (516 Jordan Street in Jacksonville)

This will also be an evening to preview Central Office for all of our returning and upcoming families, as many of our school's classrooms will be moving to this location beginning in the 2018-2019 school year!

*Students will be sent home with a **very important** Kindergarten registration packet before March 28th. *

Please contact our classroom parent educators, Mary or Rich, with any questions or concerns you may have about your student's transition. They can be reached at our main office (217-243-2876).

Parent-Teacher Conferences

Thank you to our families who were able to meet with me for our winter Parent-Teacher conferences. Let me know if you were unable to meet and would like to re-schedule. All families who provided me with an e-mail have been invited to link to our Teaching Strategies GOLD online assessment. This is where I can share pictures and progress with you for the remainder of the school year.

Contact me if you have any questions!

Spring Break

Jacksonville School District #117 will be on break from Friday March 30th through April 6th. Students will return to school on Monday April 9th.

Math Madness Week

March 26th - 29th will be all about our students Mathematics skills! Families are welcome to join us throughout the week for our special math-themed activities. Please read upcoming newsletters for more information on the fun our students will have during this special week!

Dr. Seuss' Birthday

This beloved children's author would be celebrating his birthday on March 2nd. Celebrate by reading to your child at home!

"The more that you read, the more things you will know. The more that you learn, the more places you'll go."
